## 10 Tips for Spring Cleaning

Spring is in full effect, and so is spring cleaning! Here are some tips for keeping a clean, tidy, and allergen-free home this spring.

1. Clean your windows with vinegar and water. In a spray bottle, mix 50% distilled white vinegar and 50% water.
2. Dust blinds blade by blade with a microfiber cloth.
3. Clean your ceiling fans.
4. Dust baseboards and doorways with a dryer sheet or use your vacuum.
5. Launder all your bedroom quilts, sheets, and pillows.
6. Clean out your refrigerator and pantry, throwing away old, expired food, and wipe down shelves.
7. Organize your closet and donate the clothing you don't wear anymore.
8. Vacuum/wash/replace old door mats.
9. Scrub and hose down your garbage cans.
10. Contact Estrella Insurance to quote or purchase auto, homeowners, or business insurance. We've got you covered!

## Insurance Reform Bill Becomes Law, Protects Consumers

For Florida homeowners who have seen their homeowners insurance premiums steadily increasing lately, a recently passed reform bill will start bringing them relief. Florida legislators, after seven failed attempts, passed property insurance reform to address the abuse of a policyholder benefit known as assignment of benefits (AOB). Passed by a vote of 25-14, the bill (SB 122) "will protect Florida home and business owners alike from bad actors who are taking advantage of them and our legal system just to put more money in their own pockets," said Logan McFaddin, regional manager of the American Property Casualty Insurance Association. ## America Ferrera's 10 Million Dollar Smile

Did you know that actress America Ferrera had her smile insured for 10 million dollars? Lloyd's of London, a famous insurance marketer, reported the news that the star's smile is fully insured, including any treatment her gums or teeth may need, as well as any expenses of accidental damage to her mouth.

## 5 Insurance Mistakes to Avoid

1. Only purchasing the legally required amount of liability for your car. This can leave you at risk in most cases.
2. Insuring a home for its real estate value rather than for the cost of rebuilding.
3. Selecting an insurance company by price alone.
4. Not bundling insurance like auto and homeowners.
5. Neglecting to buy renters insurance.
