Our Technology Helps You Save

At Estrella Insurance, we're always looking for the best way to provide our customers with a user-friendly experience. Best of all, we continue to use tools to help you get quality insurance at the lowest price.

So how do we do it? A few different ways. Our website is designed to be simple yet efficient. We know insurance can be complicated, so we want to make it as easy as possible to get the information you need and provide quotes in just minutes. All you need is a zip code to get started.

Prefer to chat with an agent via text or video? No problem! We're set up for that too. Once you're on our site, you'll find a "Need help?" support tab which will open up a menu that gives you the option to be contacted however you prefer.

And that's not all! Even if you've already signed up for a policy with us, our proprietary re-rater technology allows us to always be on the lookout for deals so you can save even more. Pretty cool, right? After more than 40 years in the industry, we've still got you covered.

If you want to get a new quote on your car insurance policy or want to find out more information about our additional services, Estrella Insurance is here for you. Visit www.estrellainsurance.com

Want to learn more about our proprietary re-rater technology? Check out this quick [video](#).

Night Driving Advice

It's a known fact that when the sun goes down, driving becomes more dangerous. Our eyes can't see well in the dark, and we compromise our depth perception, our ability to see color, and more.

Here are a few dos and don'ts of driving at

night:

- Do make sure your headlights are in good shape: If you have an older car with plastic lens covers that have yellowed, use a polish kit to clear off the residue.
- Do get an eye exam and wear the right glasses: If it's been a while since you had your last eye exam, get them checked. If you already wear prescription glasses, choose a pair with anti-reflective lenses to cut down on the amount of light that is being reflected.
- Do dim your dashboard lights: The glow from your car's instrument panel can be distracting and make it more challenging for your eyes to adjust to the darkness outside.
- Don't follow cars too closely: To give yourself plenty of stopping time when you have reduced visibility, slow down, and increase the typical distance between you and the car you're following.
- Don't ignore a dirty windshield: Be sure to wipe the inside and outside of the glass with a microfiber cloth and glass cleaner to allow for better visibility.

Fun at Home During Spring Break

Spring Break is almost here! Can you believe it? If you're planning on staying home with the kids for the whole week, having plans in place will make for a stress-free, fun and memorable break.

Looking for activities that don't include a screen? While many of us would love to start the list with "clean bedrooms," the following [link](#) has a ton of awesome (and realistic) ideas.

And remember, if you do have a little extra time for yourself - saving money is always fun too. Speak with your local agent to find out how you can find a lower rate on your homeowner's insurance policy.

Your Stars Help Our Star Shine

We are truly grateful and humbled by the 4,000+ positive reviews our stores have received on Google. Helping you obtain quality coverage on all types of insurance at the lowest price is our goal, but knowing our customer service also stands out means a lot to us.

Your feedback is important, and your kind words help prospective customers feel more confident in choosing us. Thank you to all of those who took the time to leave us a review!

Need Coverage or Have a Question?

During this pandemic, we want everyone to stay safe and healthy. If you're looking to sign up for a new policy, many of the carriers we work with give you the option to process transactions online. Even if you have a question or need information, you can always speak to an Estrella Insurance agent on the phone or contact us by email.

We're Hiring

A professional career in the insurance industry is calling! Join our team and work with one of the most trusted and well-known insurance providers. Expand your talents and discover the benefits of providing customers with a variety of essential insurance products.
