Did You Hear? Estrella Just Launched Roadside Protection

INSURANCE UPDATES YOU'LL ACTUALLY CARE ABOUT

Whether you're heading back to school or just trying to beat the Miami traffic, now's the perfect time to find out what's new in insurance. Estrella's got:

- Our affordable new Roadside Assistance program
- More ways to protect your business
- Why the age of your car affects insurance
- Tips to keep your teens covered this season

Flat tire? Dead battery? Locked out of your car? Estrella's got you. We're proud to introduce our new monthly subscription for roadside and towing services, available through our trusted partner **Nation Safe Drivers**.

Why drivers love it:

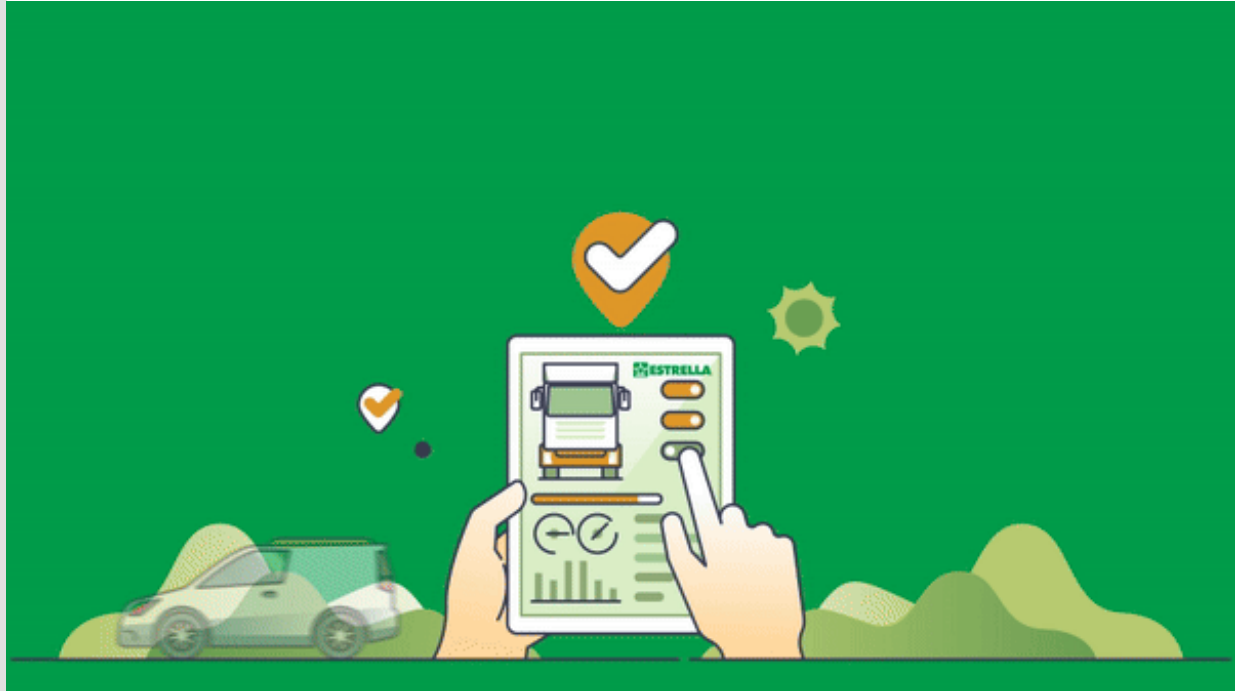

- ✓ Affordable plans starting at just \$8.99/month per vehicle
- ✓ More towing miles than AAA's Classic Membership

- ✓ No clue reporting, so it won't affect your insurance
- ✓ No upfront cost, and cancel anytime
- ✓ Peace of mind for older vehicles (or anyone who hates waiting for a tow truck)

You don't need to switch insurance policies or commit to a long-term contract. Just add the subscription to your existing Estrella policy, or get it on its own.

Whether your car is brand new or a little more seasoned, having help on the road is always a smart move.

Short answer: absolutely.

As your car gets older, your insurance needs may shift. For example, full coverage may no longer be cost-effective, especially if the car's market value has declined. Instead, you might consider adjusting your policy to reflect your vehicle's age and your current driving habits.

Older vehicles can also affect your eligibility for certain benefits, like roadside assistance. Some drivers assume it's not worth it, but with affordable new options like Estrella's monthly towing subscription, it's easier than ever to stay protected without overpaying.

Let's talk about what coverage makes the most sense for your ride. We're here to walk you through it.
